

Seamless
transition into
assisted Care

- Free Consultation & Tour
- Care & Support services
- Cost of stay
- Rights & Responsibilities

Residential respite care is beneficial to

- **Emergencies** - when your caregivers become unavailable & you will still require the care
- having a **planned** holiday
- **Try** before you decide on your permanent residential living arrangements

Are you over 65 years & have a Home Care Package?
You may be eligible for **up to 63 days** of residential
respite care.
